RE: SUMMARY OF MATERIAL MODIFICATIONS

Dear Participant:

The Trustees have elected to modify the continuing eligibility requirements for the Fund beginning with the eligibility for the month of May 2010, and continuing through September 2010 (March 2010 work month through July 2010 work month).

The current continuing eligibility provisions require one hundred twenty (120) hours per month to continue coverage which has now been temporarily reduced to one hundred (100) hours per month.

In addition, in the event your Employer fails to report at least one hundred (100) hours worked in Covered Employment in a certain month, you may utilize any hours in excess of one hundred (100) that were remitted in the prior month to continue your coverage.

If you have less than one hundred (100) hours remitted and do not have excess hours from prior months to utilize, you may also pay up to a maximum of eighty (80) hours of contributions within a calendar year yourself, based upon a rate determined by the Board of Trustees.

If you have any questions regarding the above, please do not hesitate to contact the Fund Office.

Sincerely

IBEW Local No. 9 and Line Clearance Contractors Health & Welfare Fund
